+ Speaker Profile

Tai Ling Ling

“Complexity is your enemy; any fool can make something complicated. It is hard to make something simple.”

Sir Richard Branson, founder of Virgin Group

Learning and Development is a complex concept. More so, when it comes to Human Development, which focuses on the growth of human assets in an organisations.

Ling Ling is a seasoned Learning and Development Consultant/Professional, with more than 10 years in designing and delivering Training Programmes across the globe for fast-paced and technologically-advanced companies.

By leveraging on technology and the latest psychological methodologies, she had designed, developed, and delivered programmes to assist organisations to grow. Her engaging, passionate and fun style makes her highly sought for both soft skills and technical training.

Why Her

Three reasons why this Powerful Manager Programme is different from all other Manager Programme?

*“ The "time bomb" is ticking and requires business operator and decision maker to act immediately to guard against unnecessary talented staff turnover and undergrowth of an organisation due to unforeseen Managers' behaviour that **can be avoided** by managers after attending this **Powerful Manager Programme.** “*

(i) Created based on Industrial Organisational Psychology that identifies People Development's impact in an organisation.

Ling Ling being a consultant and seasoned trainer in learning and development, she understands how the incorporation of Industrial Organisational Psychology into the corporate training context can produce high impact training outcome.

(ii) Latest Extensive Researches based on Proven Method

Ling Ling diligently researches and applies the latest extensive research to generate Managers who are Powerful, Functional and able to lead Teams within an organisation.

(iii) GREAT Speaker

Ling Ling is known for her ability to apply only the relevant and proven method for her attendees. Being a seasoned speaker, growing a company through the right learning and development programme has never been easier.

**+ We provide the speaker
trusted by reputable
organisations
internationally.**

Speaker's Profile

Tai Ling Ling

Tai Ling Ling is a seasoned Learning and Development Consultant/Professional, with more than 10 years in designing and delivering Training Programmes across the globe for fast-paced and technologically-advanced companies.

Since her days with Intel in 2004, she has supported organisations in Stand-Up Training, Facilitation, Coaching, Instructional Design as well as Program Assessment and Evaluation. Ling Ling currently practices as Learning Consultant, specializing in training, facilitation, learning and development for organisation.

She holds Masters of Science (MSc) in Psychology from the University of Hertfordshire, UK, Certified Training Professional from University of Mississippi, USA.

Researcher and Professional Trainer

Being a Professional International Member from Association for Talent Development (ATD) and Graduate Member of the British Psychology Society (BPS), Ling Ling diligently researched and applied the latest extensive research to generate Managers who are Powerful, Functional and able to lead Teams within an organisation.

+ Recent Training

“She is very engaging and really knows how to identify the gaps missing between me and my subordinates.”

“She really knows about psychology in the office and how to overcome them. So passionate about helping the organisations to grow.”

“She helps me to see the reality. Now I know why my staffs keep on resigning. There are so much more that I could have done.
Thank you Ling Ling for reviving my career.”
